Disbursement Service Escrow:

The fee for Disbursement Services in connection with an order for title insurance when the Company is disbursing funds in support of a primary escrow agent other than the Company is \$100 per order for refinance transactions, and \$130 per order for any other type of transaction. Disbursement Services consist of:

(1) receipt of funds and written instructions from the primary escrow agent and from any lender whose loan will be insured; (2) disbursement of escrow funds for the elimination of any matters affecting title, but only to the extent authorized under the escrow instructions; (3) standard overnight delivery fees and regular messenger fees (not including priority overnight and special messenger fees, which will be charged based on invoice from provider); and (4) disbursement of any remaining funds to the primary escrow agent. Disbursement Services do not include, among other things, ordering payoff demand statements from existing lienholders, wire fees, or other services listed in Section F-8 and not listed in the preceding sentence.

Disbursement Service includes delivery fees and messenger fees included as part of the Company's primary escrow processes, but does not include delivery fees and messenger fees not included in Basic Escrow Services, or required or requested by someone other than the Company.

*A short form loan policy with short form commitment is available for a reduced rate. Ask your title representative or escrow officer for further details.
